

REMARKS

This application is a Divisional of prior application 09/196,127, still pending. The subject matter of the claims added by this Preliminary Amendment was subject to a Restriction Requirement in that earlier case. Specifically, the added claims correspond to the subject matter of the claims in the earlier case identified as belonging to Group III.

Likewise, the amendments to the specification are to make the priority claim and to insert the proper patent numbers per the Examiner's requirement in the earlier case.

Respectfully submitted,
COATS & BENNETT, P.L.L.C.
